Re: Lower Darby Creek Area Superfund Site -- Folcroft
Landfill and Folcroft Annex, Delaware County,
Pennsylvania

Dear Ms. Matzko

This firm represents the General Electric Company ("GE") with respect to the above matter. This is in response to the letter addressed to Mr. Jeffrey R. Immelt, CEO of GE dated October 15, 2001 in which EPA invited GE to participate in negotiations regarding the site.

GE is in the process of investigating any alleged connection to this site and intends to supplement its 104(e) Response dated September 6, 2001, in the near future. GE is also waiting for additional documentation from the EPA which allegedly ties GE to the site. Nevertheless, GE is willing to participate in negotiations concerning this site.

I understand from Brian Nishitani that a meeting will be scheduled by EPA shortly. In the meantime please feel free to call me if you have any questions.

Very truly yours,

Steven T. Miano
